

— **SAFE ZONE 3.75" x 8.75"**

All critical elements must be kept inside the green box. Anything left outside the green box may be cut off during trimming!

— **TRIMMING ZONE 4" x 9"**

This will be the final size of your card. There may be a slight shift in the cutting process so try to avoid borders near this line.

— **BLEED ZONE 4.25" x 9.25"**

Please allow 0.125" of bleeds on all sides of your card. Make sure to extend any background images or colors all the way to the edge of the black outline.

IMPORTANT NOTE:

The colored guides on this template are for your use only. Please do not send us artwork containing the green, orange and black lines.
